

Happy New Year 2020!

Welcome to the International Students Olympiad in Hot Bulk Forging and Extrusion Technologies 2020

Mr. Taleski Tashuli from Ss. Cyril and Methodius University in Skopje (North Macedonia) won the first place in the overall International Students Olympiad 2019 ranking! Mr. Taleski Tashuli was awarded with a certificate of the Olympiad winner and a special prize – 15" i7 laptop. First place winner in Extrusion section is Mr. Zhao Leilei from Shanghai Jiaotong University (China). Mr. Zhao Leilei was also awarded with a certificate and a laptop.

Mr. Taleski Tashuli with Olympiad participants and organizers

Mr. Zhao Leilei

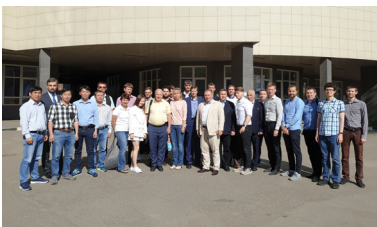

Universities, mechanical engineering faculties and their students are invited to take part in the International Students Olympiad in Hot Bulk Forging and Extrusion Technologies that will take place in April 2020 around the world.

Additional conditions: All universities taking part in the Olympiad will get a free 3-month network QForm software license for 3 places to practice before the Olympiad by request.

Welcome to QForm Summer School. Moscow. 17–21 August 2020

We are glad to invite specialists from universities and academic departments who is interested in virtual manufacturing and simulation of metal forming processes to participate in summer school which will take place on August 17–21, 2020 in Moscow Polytechnic University, Russia.

Main part of the school will consist of 3-day training with three parallel sessions: bulk forming processes (basic course), bulk forming processes (advanced course) and aluminium profile extrusion.

QForm Summer School 2019

COMING EVENTS

February 2020

QForm Users' Seminar. Krakow

The event will take place in AGH University of Science and Technology in Krakow, Poland.

April 2020

International Students Olympiad in Hot Bulk Forging and Extrusion Technologies around the world.

4–6 May 2020

ESAFORM 2020, the 23rd International Conference on Material Forming in Cottbus, Germany.

19–21 May 2020

ET'20, the 12th International Aluminium Extrusion Technology Seminar and Exposition in Orlando, Florida, USA.

25–29 May 2020

METALLOBRABOTKA 2020, the 21st International Specialized Exhibition in Moscow, Russia.

26–31 July 2020

The 13th International Conference on the Technology of Plasticity in Columbus, Ohio, USA.

"Development and Implementation of Static Recrystallization Model of AA6063 Using Industrial Experiments" paper by Artem Alimov and Nikolay Biba will be presented at the event.

17–21 August 2020

QForm Summer School 2020 in Moscow, Russia.

13–16 September 2020

The 18th International Conference on Metal Forming 2020 in Krakow, Poland.

19–21 September 2020

International Forging Congress 2020 in Chicago, Illinois, USA.

6–8 October 2020

ALUMINIUM 2020, the 13th World Trade Fair & Conference in Düsseldorf, Germany.
